Thank you for sending these notices, Chris. One correction, Sandra and Charles Radis will be out of town (hiking a portion of the AT in Pennsylvania!) next Thursday, so I will be representing them but they will not be present.

I will bring a photo showing the boardwalk having been moved back out of the city right of way. Bill Clark confirmed that is a 60' ROW, so it will come back 7.2 feet from its current position.

Best,

Brenda
