I am seeking a permit for the construction or installation of:
Proposed Project Description
I understand that the permits obtained pursuant to this acknowledgement of code compliance responsibility will
be in my name and that I am acting as the general contractor for this project. I accept full responsibility for the
work performed.
I am submitting for a permit authorized by the State of Maine Uniform Building and Energy Code (MUBEC), Fuel
Board Laws and Rules and all locally adopted codes and standards applying to Plumbing, Electrical, Fire
Prevention and Protection in anticipation of having it approved or approved with conditions . I have read the
following statement and understand that <u>failure to comply with all conditions once construction is begun may</u>
necessitate an immediate work stoppage until such time as compliance with the stipulated conditions is
attained. I certify that I have made a diligent inquiry regarding the need for concurrent state or federal permits to
engage in the work requested under this building permit, and no such permits are required or I will have obtained
the required permits prior to issuance of this permit. I understand that the granting of this permit shall not be construed as satisfying the requirements of other applicable Federal, State or Local laws or regulations, including
City of Portland historic preservation requirements, if applicable. I understand and agree that this permit does no
authorize the violation of regulations.
In addition, I understand and agree that this building permit does not authorize the violation of the 12 M.R.S. §
12801 et seq Endangered Species.
I certify under penalty of perjury and under the laws of the State of Maine the foregoing is true and correct. I
further certify that all easements, deed restrictions, or other encumbrances restricting the use of the property are
shown on the site plans submitted with this application.
I hereby apply for a permit as a of the below listed property and by so doing will assume
Owner or Owner's Agent
responsibility for compliance with all applicable codes, bylaws, rules and regulations.
I further understand that it is my responsibility to schedule inspections of the work as required and that the City's
inspections will, at that time, check the work for code compliance. The City's inspectors may require modifications
to the work completed if it does not meet applicable codes INITIAL HERE
