| 1) This permit is being approved on the basis of plans submitted. Any deviations shall require a separate approval before starting that work.   |   |                                 |   |
| 2) This property shall remain a single family dwelling with home occupation. Any other change of use shall require a separate permit application for review and approval.               |   |                                 |   |
| 3) Separate permits shall be required for any new signage.  |   |                                 |   |
| 4) During its existence, all aspects of the Home Occupations criteria, Section 14-410, shall be maintained.   |   |                                 |   |

| 1) As discussed, the gate to the loft area is not required as it is to be used solely for storage and not to be a habitable space. Permanent stairs or ladders are NOT to be installed. |   |                                 |   |
| 2) Separate permits are required for any electrical, plumbing, or heating.  |   |                                 |   |
| 3) Application approval based upon information provided by applicant. Any deviation from approved plans requires separate review and approval prior to work.                            |   |                                 |   |
