Location of Construction:	Owner Name:	Owner Address:	Phone:
14 CENTENNIAL ST PEAKS ISL	ZIMMERMAN WILLIAM B & PA	PO BOX 7637	
Business Name:	Contractor Name:	Contractor Address:	Phone:
	Bill Bunton	87 Middle Road Cumberland	(207) 774-0111
Lessee/Buyer's Name	Phone:	Permit Type:	
		Single Family	

Proposed Use:

Single Family Home - build new 2 story wood frame house & permit two sheds, one 10' x 12' & one 8' x 12' which will be relocated to meet the 15' side setback (old house being demolished afterwards - permit #10-0843)

Proposed Project Description:

build new 2 story wood frame house & permit two sheds, one 10' x 12' & one 8' x 12' which will be relocated to meet the 15' side setback (old house being demolished afterwards - permit #10-0843)

Dept: Zoning **Status:** Approved with Conditions **Reviewer:** Ann Machado **Approval Date:** 07/02/2010

Note:**Ok to Issue:** ✓

- 1) This permit is being issued with the condition that the shed (8' x 12') on the left side of the property be relocated to meet the 15' side setback. At this point it is 14' from the side property line.
- 2) As discussed during the review process, the property must be clearly identified prior to pouring concrete and compliance with the required setbacks must be established. Due to the proximity of the setbacks of the proposed structure, it may be required to be located by a surveyor.
- 3) This property shall remain a single family dwelling. The existing single family home must be demolished before the certificate of occupancy is issued for the new house. Any change of use shall require a separate permit application for review and approval.
- 4) This permit is being approved on the basis of plans submitted. Any deviations shall require a separate approval before starting that work.

Dept: Building **Status:** Approved with Conditions **Reviewer:** Tammy Munson **Approval Date:** 08/03/2010

Note:**Ok to Issue:** ✓

- 1) Hardwired interconnected battery backup smoke detectors shall be installed in all bedrooms, protecting the bedrooms, and on every level.
- 2) The design load spec sheets for any engineered beam(s) / Trusses must be submitted to this office.
- 3) Separate permits are required for any electrical, plumbing, sprinkler, fire alarm HVAC systems, heating appliances, including pellet/wood stoves, commercial hood exhaust systems and fuel tanks. Separate plans may need to be submitted for approval as a part of this process.
- 4) Application approval based upon information provided by applicant. Any deviation from approved plans requires separate review and approval prior to work.
- 5) Those building a new single family dwelling shall install a CO detector in each area within or giving access to bedrooms. That detection must be powered by the electrical service in the building and battery.

Dept: DRC **Status:** Approved with Conditions **Reviewer:** Philip DiPierro **Approval Date:** 07/27/2010

Note:**Ok to Issue:** ✓

- 1) 11. All existing vegetation on site shall be saved and/or protected during construction to the greatest extent practicable.
- 2) 10. Erosion and Sedimentation control shall be established and inspected by the Development Review Coordinator prior to soil disturbance, and shall be done in accordance with Best Management Practices, Maine Department of Environmental Protection Technical and Design Standards and Guidelines. All Erosion and Sedimentation control measures must be inspected and maintained daily.
- 3) All Site Work will conform to the City of Portland ordinance on Shoreland Regulations (Division 26).
- 4) NO CHANGE IN GRADING IS PROPOSED. ANY CHANGE IN TOPOGRAPHY SHALL REQUIRE ADDITIONAL REVIEW AND APPROVAL BY THE CITY.

Location of Construction: 14 CENTENNIAL ST PEAKS ISL	Owner Name: ZIMMERMAN WILLIAM B & PA	Owner Address: PO BOX 7637	Phone:
Business Name:	Contractor Name: Bill Bunton	Contractor Address: 87 Middle Road Cumberland	Phone (207) 774-0111
Lessee/Buyer's Name	Phone:	Permit Type: Single Family	

- 5) The Development Review Coordinator reserves the right to require additional lot grading or other drainage improvements as necessary due to field conditions.
- 6) A street opening permit(s) may be required for your site. Please contact Carol Merritt at 874-8300, ext. 8822. (Only excavators licensed by the City of Portland are eligible.)
- 7) A sewer permit is required for your project. Please contact Carol Merritt at 874-8300, ext. 8822. The Wastewater and Drainage section of Public Services must be notified five (5) working days prior to sewer connection to schedule an inspector for your site.
- 8) All damage to sidewalk, curb, street, or public utilities shall be repaired to City of Portland standards prior to issuance of a certificate of occupancy.
- 9) The Development Review Coordinator (874-8632) must be notified five (5) working days prior to date required for final site inspection. Please make allowances for completion of site plan requirements determined to be incomplete or defective during the inspection. This is essential as all site plan requirements must be completed and approved by the Development Review Coordinator prior to issuance of a Certificate of Occupancy. Please schedule any property closing with these requirements in mind.
- 10) Two (2) City of Portland approved species and size trees must be planted on your street frontage prior to issuance of a Certificate of Occupancy.
- 11) All Site work (final grading, landscaping, loam and seed) must be completed prior to issuance of a certificate of occupancy.

Comments:

6/8/2010-amachado: Need to do a little more research before call architect.

6/9/2010-amachado: Spoke to Gerald Weinand. Need full size scalable plans. He said that the owners wanted to use the same footprint but raise the roof on the gable part, relocate the footprint, flipping it 180 degrees & rotate it to be parallel with the road. I told him that rebuilding a legally nonconforming structure means keeping the same shell. He asked about section 14-436(a) but I said that had restrictions with raising the roof etc. We talked about using the average of the yards on either side on Centennial to be able to slide the building forward and meet the 25' rear setback. If this works then could build the proposed building and not be constrained by section 14-436. We would need a chain of title. He said that he would get back to me.

6/14/2010-amachado: Received revised siteplan & scalable building plans on June 11, 2010. Proposed house is now meeting the average front yard setback. Spoke to Gerald Weinand. Need copy of the notices to abutters regarding the demolition. Need deed going back to July 1985 to show that lot of record. Need complete siteplan that shows all the requirements for a new single family home. Need to permit two existing sheds and bring them into compliance.

6/22/2010-amachado: Received Chain of title for 087 NN004 & 005. Received copy of demo letter to abutters.

7/1/2010-gg: received additional site plans as of 06/29/2010. Site plans are with permit, gave to Ann. /gg

7/2/2010-amachado: Spoke to Gerald Weinand. Site plan needs to show that lot 8 is part of the property. The two sheds need to be permitted and the 10' x 12' shed needs to be relocated to meet the 15' side yard setback.

7/9/2010-amachado: Received revised siteplan including lot #8 as part of the plan. Also the plan indicates that the shed will be relocated to meet the setbacks. Spoke to contractor at the counter. The owner is going to separate the application into a demo permit and the new single family home permit.

7/16/2010-amachado: Received separate demolition permit for the property.

BUILDING PERMIT INSPECTION PROCEDURES

Please call 874-8703 or 874-8693 (ONLY)

or email: buildinginspections@portlandmaine.gov

With the issuance of this permit, the owner, builder or their designee is required to provide adequate notice to the City of Portland Inspection Services for the following inspections. Appointments must be requested 48 to 72 hours in advance of the required inspection. The inspection date will need to be confirmed by this office.

- **Please read the conditions of approval that is attached to this permit!! Contact this office if you have any questions.**
- **Permits expire in 6 months, if the project is not started or ceases for 6 months.**
- **If the inspection requirements are not followed as stated below additional fees may be incurred due to the issuance of a "Stop Work Order" and subsequent release to continue with construction.**

 X **Footing/Building Location Inspection: Prior to pouring concrete or setting precast piers**

 X **Foundation Inspection: Prior to placing ANY backfill for below grade occupiable space**

 X **Framing/Rough Plumbing/Electrical: Prior to Any Insulating or drywalling**

 X **Final/Certificate of Occupancy: Prior to any occupancy of the structure or use.**
NOTE: There is a \$75.00 fee per inspection at this point.

The project cannot move to the next phase prior to the required inspection and approval to continue, REGARDLESS OF THE NOTICE OR CIRCUMSTANCES.

IF THE PERMIT REQUIRES A CERTIFICATE OF OCCUPANCY, IT MUST BE PAID FOR AND ISSUED TO THE OWNER OR DESIGNEE BEFORE THE SPACE MAY BE OCCUPIED.

SCHEDULE A

Two certain lots or parcels of land with the buildings thereon, situated on the westerly side of Peaks Island within the limits of the City of Portland, County of Cumberland and State of Maine, bounded and described as follows:

PARCEL ONE: BEGINNING on the southwesterly side of Centennial Street at the southeasterly corner of the first lot of land conveyed by Cornelia U. Fisher to Walter C. Brewer by deed dated January 22, 1902 and recorded in Cumberland County Registry of Deeds, Book 712, Page 121; thence southwesterly along the southeast side of the said Brewer land 64.44 feet, more or less, to a contemplated street; thence southeasterly by said contemplated street, thirty (30) feet to a point; thence northeasterly at right angles with the last described line, and holding a distance of thirty (30) feet from said Brewer line 65.12 feet, more or less, to Centennial Street; thence northwesterly by said Centennial Street, thirty (30) feet to point of beginning.

PARCEL TWO: BEGINNING at a point on the westerly side line of said contemplated street, said point being the southeasterly corner of the second lot of land conveyed by Cornelia U. Fisher to Walter C. Brewer by deed dated January 22, 1902, and recorded in Cumberland County Registry of Deeds, Book 712, Page 121, and is marked by an iron pipe driven in the ground, said point being called Point No. 1; thence southerly along said westerly side of said contemplated street, eighty eight (88) feet to a point; said point being called Point No. 2; and from said two points to run by lines, to wit, from Point No. 1 by a line making an exterior angle with the said westerly line of said contemplated street of $88^{\circ} 11'$ seventy six (76) feet to a point; thence by a line making an angle to right with last described line of $5^{\circ} 54'$, 101.25 feet, more or less, to the northerly side of the Fisher Wharf, so-called, and from said Point No. 2 by a line making an interior angle with the said westerly side line of said contemplated street of $91^{\circ} 26'$, 181.68 feet to a point in the bulkhead built at the foot of the bank at about highwater mark, said line from No. 2 passes through an old stone monument set in the ground at the top of the bank at the shore.

Meaning and intending to convey and hereby conveying the same premises conveyed to grantors herein by deed of Atlantic Federal Savings and Loan Association dated June 9, 1982 recorded in said Registry of Deeds in Book 4970, Page 211.

Subject: 14 Centennial 87-NN-4-5

Marge:

Here are the pdf's. The rotated shows the existing building in a new location, actually within the setbacks but slid to the south a bit to take advantage of the views to the west.

Again, I understand that you can't give a definitive answer, but I want to make sure I don't pursue a dead-end.

Cheers

BOUNDARY SURVEY OF LAND AT 14 CENTENNIAL STREET
PEAKS ISLAND, PORTLAND, MAINE

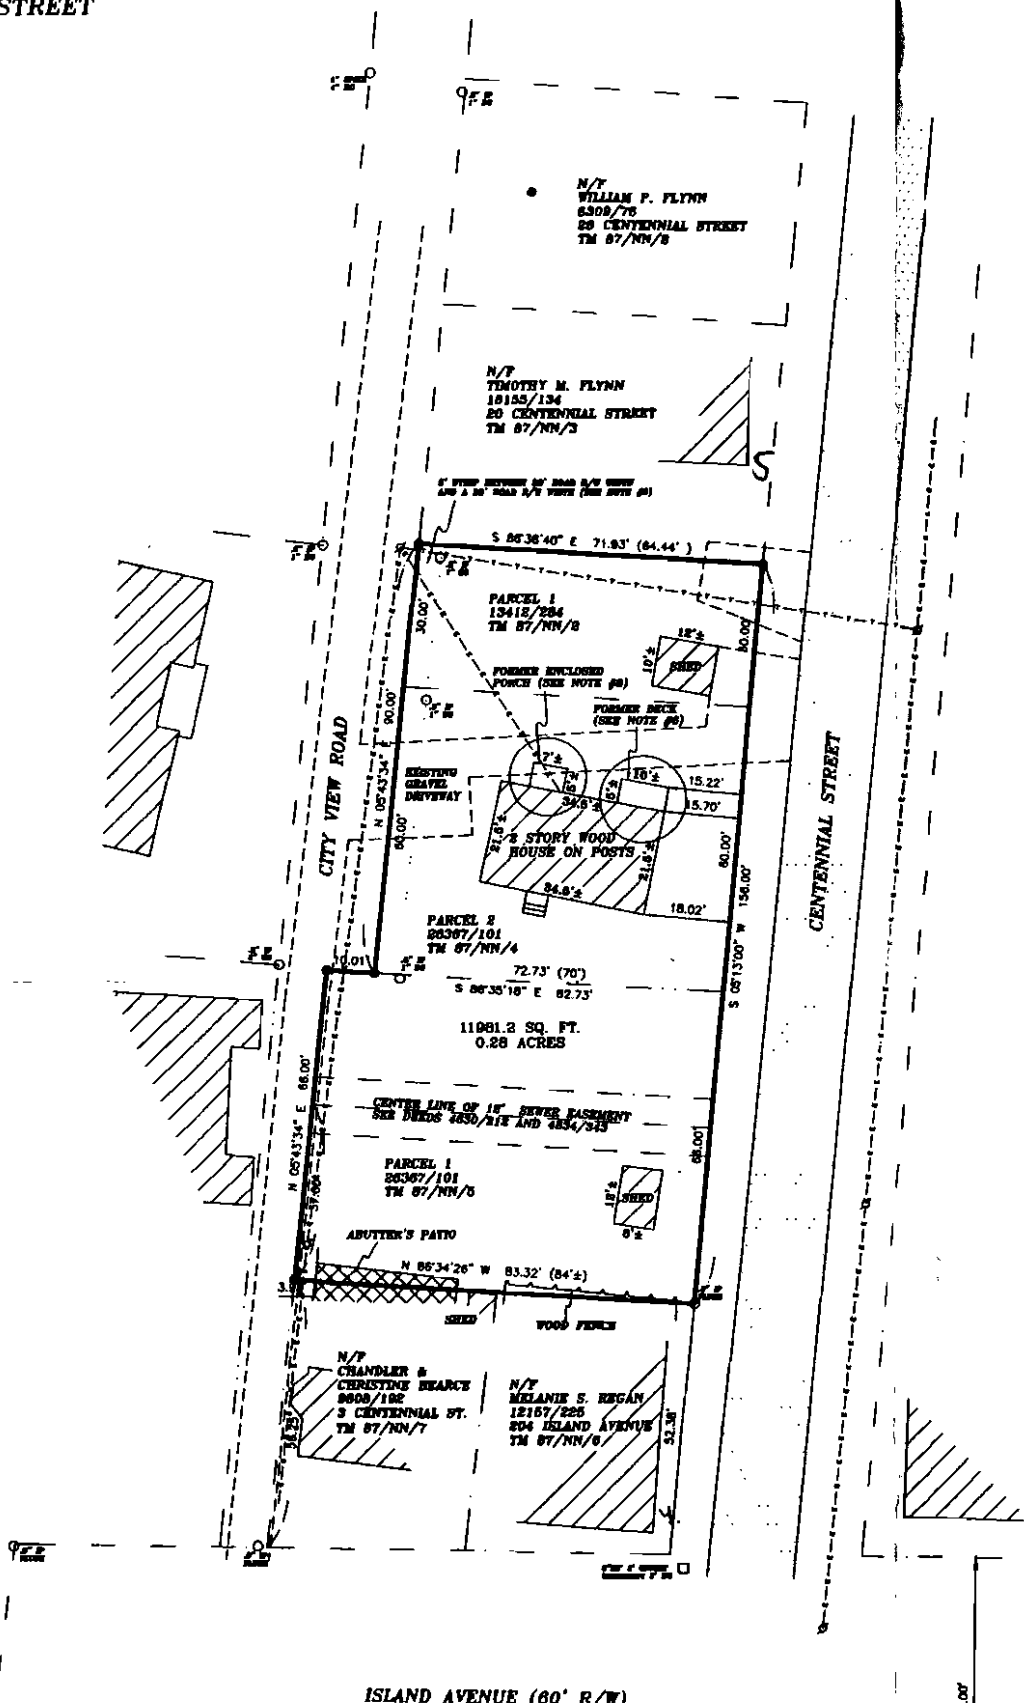

MADE FOR WILLIAM B. ZIMMERMAN AND PATTY T. ZIMMERMAN
P.O. BOX 7637, YORK PA. 17404

MADE BY NORTHEASTERN LAND SURVEYING
16 COLLEGE AVENUE, GORHAM, MAINE 04038

NOVEMBER 4, 2009 JOB #09-013 SHEET 1 OF 1

- NOTES:
- 1) OWNERS OF RECORD ARE WILLIAM B. ZIMMERMAN AND PATTY T. ZIMMERMAN.
 - 2) THE DEEDS OF RECORD ARE RECORDED IN THE CUMBERLAND COUNTY REGISTRY OF DEEDS IN BOOK 13412 PAGE 283 AND BOOK 28367 PAGE 101.
 - 3) THE CADASTRAL REFERENCE IS CITY OF PORTLAND TAX MAP 87 BLOCK NN LOTS 4, 5 AND 8.
 - 4) ZONING: THE PARCEL IS IN THE "IR-2" ZONE AND THE SHORELAND PROTECTION ZONE. CURRENT ZONING, STATUS, AND REQUIREMENTS MUST BE CHECKED AND VERIFIED WITH THE CITY OF PORTLAND AND ALL OTHER APPLICABLE REGULATORY BODIES BEFORE BUILDING IMPROVEMENTS OR CONVEYING LAND OR INTEREST.
 - 5) CENTENNIAL STREET WAS ORIGINALLY CONSTRUCTED AND TENDERED TO THE CITY OF PORTLAND AS 26' WIDE. THE CITY ACCEPTED CENTENNIAL STREET AS 40' WIDE ON DECEMBER 2, 1909. SEE PORTLAND ROAD RECORDS VOLUME 1 PAGE 290. CITY VIEW ROAD HAS IN THE PAST BEEN KNOWN AS "CENTENNIAL REAR" AND "CITY POINT ROAD". ITS STATUS AS AN UNACCEPTED PAPER STREET WAS CONTINUED PER SEPTEMBER 3, 1997 CITY COUNCIL ORDER #84 EXCEPTING STREETS FROM VACATION. THE STATED WIDTH OF CITY VIEW ROAD VARIES ACCORDING TO THE VARIOUS DEED DESCRIPTIONS OF PARCELS OF LAND ALONG THE ROAD AS WELL AS ON THE SURVEY PLANS FOUND IN THE CONDUCT OF THIS PRESENT SURVEY AND LISTED ON THIS PLAN AS "PLAN REFERENCES". PLAN REFERENCE #1 (LAND OF THOMAS TROTT, BY E. THRASHER) INDICATES A 20' WIDTH. HOWEVER INFORMATION WAS FOUND THAT STATES THAT THE COPY OF THIS PLAN AS IT WAS RECORDED IS NOT THE ORIGINAL, WHICH IS SAID TO HAVE BEEN "LOST OVERBOARD", BUT RATHER AN ATTEMPT TO RECREATE THE ORIGINAL. THE COPY OF THE PLAN WAS RECORDED IN THE CUMBERLAND COUNTY REGISTRY OF DEEDS 43 YEARS AFTER THE ORIGINAL WAS DRAFTED. THE ORIGINAL DEED DESCRIPTIONS CREATING THE LOTS ALONG CITY VIEW ROAD DO NOT REFERENCE THE COPY OF THE PLAN AS RECORDED AS THEY PRE-DATE THAT RECORDING. PLAN REFERENCES #2, #3 AND #4 ALL SHOW A 20' WIDTH OF THE ROAD RIGHT OF WAY. FIELD EVIDENCE FOUND, (I.E. IRON PIPES AS PROPERTY MARKERS), ALSO CONFLICT. SOME FIELD EVIDENCE FOUND WOULD INDICATE A 20' RIGHT OF WAY WIDTH WHILE OTHER FIELD EVIDENCE WOULD INDICATE A 20' WIDTH. FOR THE PURPOSES OF THIS SURVEY A 20' WIDTH IS SHOWN. AN OPINION OF TITLE FOR THE APPROXIMATELY 5' WIDE STRIP OF LAND BETWEEN THE 20' AND 25' RIGHT OF WAY LINES MUST BE OBTAINED FROM A QUALIFIED ATTORNEY BEFORE BUILDING IMPROVEMENTS ON THE STRIP OR CONVEYING LAND OR INTEREST AS UNCERTAINTY EXISTS AND NO DEFINITIVE WIDTH WAS DETERMINED BY THIS SURVEY.
 - 6) INFORMATION REGARDING THE FORMER FOOTPRINT OF THE EXISTING HOUSE AS IT HAS EXISTED IN THE PAST BEFORE RECENT DEMOLITION COMES FROM THE CITY OF PORTLAND REAL ESTATE ASSESSMENT RECORDS DATED 1969, 1981 AND 1989. THE LOCATION AND MEASUREMENTS SHOWN ON THIS PLAN FOR THE RECENTLY REMOVED IMPROVEMENTS ARE PER THE BUILDING SKETCHES AND PHOTOGRAPHS FROM THESE RECORDS.
 - 7) THE PARCEL DOES NOT FALL IN A "SPECIAL FLOOD HAZARD AREA" PER F.E.M.A. SEE COMMUNITY #230061 PANEL #00158, EFFECTIVE DATE JULY 17, 1980.
 - 8) UTILITY LOCATION SHOWN IS APPROXIMATE. THIS PLAN MAY NOT SHOW ALL UTILITIES USED OR IN DISUSE. ALL APPROPRIATE OFFICES AND THE DIGSAFE PROGRAM SHOULD BE CONTACTED BEFORE DOING ANY EXCAVATION.
 - 9) THIS PLAN IS NOT INTENDED TO DEPICT LIMITS OR EXTENTS OF FEE TITLE OWNERSHIP. AN OPINION OF TITLE SHOULD BE RENDERED BY AN ATTORNEY.
 - 10) NORTHEASTERN LAND SURVEYING AND THE SIGNING SURVEYOR RESERVE THE RIGHT TO BE HELD HARMLESS FROM ALL THIRD PARTY CLAIMS.
