Hello,

Attached, please find an amended application for a wastewater disposal system for 30 Highland Ave Peaks Island. The old system has been removed and the site evaluator has been to the site for a new evaluation, so I appreciate your timely review of this amended application so that we can finish the project as soon as possible.

Thank you so much for your time and I look forward to hearing back from you as soon as possible.

Have a great day!

Kind regards,

Aaron
