Re: Conditional Use Appeal 2/23/89  
T. C. Johnson & L.J. Johnson

We would support this Conditional Use and think it would be great to see horses back on Peaks Island. There was a long tradition of horses on the Island and my grandfather had many there in the early 1900's and they were kept very close to this land. It would be great for children to see this activity once again.
