Dear Members of the Board,

I am writing to you to express my support for the Peaks Island Horse Farm owned by Mr Johnson.

We have been going to Peaks for the past 15 yrs and purchased a home 10 years ago. The horses are really a one of the many great features of the island and we are very concerned about any changes regarding the horses and the farm that Mr Johnson owns. What we consider a great way of life offered by Peaks may soon be gone unless places like the horse farm are allowed to thrive and we whole heartedly express our support of Mr Johnson's farm and horses.

Sincerely,  
Stephen Byrne
