Dear Members of the Board,

I am writing in support of the continuing use of the horse farm belonging to Thomas Covington Johnson on Ballfield Rd on Peaks Island.

I understand horses are required to have shelter by Maine Law, and I support the horse owners and the landowner providing that shelter.

I believe the farm and the open space contribute to our quality of life on the island. I have been apart of this barn for 21 years and it has played a significant role in my life developing responsibility, courage, and additionally it provides a hobby to keep children away from unhealthy habits that may be encouraged elsewhere.

Thank you for your consideration,
Hallie Alex
