

Zoning Map Viewer with Web AppBuilder for ArcGIS

Type address, street, street inter:

The map displays a grid of zoning districts in Portland, Oregon. Key districts include IR-1 (Industrial Residential), IR-2, ROS (Residential Office), and various residential zones like K001, J001, B001, C001, L001, M001, and D001. A blue arrow points to a parcel in the IR-1 district, near the intersection of Pleasant Ave and Park Ave. The map also shows a winding waterway, likely a stream or canal, and a green area labeled ROS 088 K007. The interface includes a search bar, navigation controls, and a scale bar (200ft). The City of Portland, DPS logo and the Esri logo are visible in the bottom right corner.
