- General Notes:**
- This plan is not intended to depict limits or extent of fee title ownership. An opinion of title should be rendered by a title attorney.
 - This office reserves the right to be held harmless by all 3rd party claims.
 - This survey does not purport to reflect any of the following:
 - assessments other than those that are visible or specifically stated in the referenced documents.
 - building setback compliance or restrictive covenants.
 - zoning or other land use regulations.
 - the location of any underground utilities or structures.
 - This office reserves the right to be held harmless for unknown or unobtainable private records which could affect the results of this survey.
 - Reference is made to "Letter Of Agreement", dated March 1, 2013, between Nadeau Land Surveys and the below listed client(s), which shall be considered an integral part of this survey.
 - N/F is an abbreviation for Now or Formerly.
 - All deeds referenced on this plan are recorded at the Cumberland County Registry of Deeds (CCRD).
 - This office does not accept any liability for errors in the Plan References listed herein.
 - A portion of the Abutter's shed appears to encroach on Locus Parcel.
 - Total area of Locus Parcels is 18,077 square feet (0.41 acre).
 - The apparent right of way lines depicted on this plan are based on the Plan References listed herein and monumentation found in the field, and City of Portland Engineering Street Notes.
 - The Locus Parcel does not scale in a Special Flood Hazard Area per FEMA Flood Insurance Rate Map Community-Panel Number 230051 0015B, Index dated December 8, 1998. The parcel scales in Zone C.
 - All building corner offsets to boundary lines are from cornerboards and not building foundation, unless noted.
 - Call 1-888-DIGSAFE at least three business days before performing ANY excavation.
 - Per City of Portland Records Vol. 1, Page 152, Island Avenue was accepted December 3, 1866 as a public road being 60 feet wide. Ocean Street westerly of Island Avenue appears to be a private road, width unknown. Fee title to Ocean Street appears to remain partially in the heirs of William S. Trefethen & partially in the heirs of Emily Trefethen. This office recommends consulting a title attorney for any rights, title and/or interest in said Ocean Street.
 - Elevations based on NGVD29 (U.S. Feet) established with a Topcon Hyper II GPS receiver. Static observations taken March 28, 2013 and post-processed via OPUS on March 29, 2013.
 - The underground utilities shown have been located from field survey information and existing drawings. This office makes no guarantee that the underground utilities shown comprise all such utilities in the area, either in-service or abandoned. The underground utilities shown are approximate location and are located as accurately as possible from information available. This office has not physically located the underground utilities.
 - Reference is made to City of Portland Board of Appeals, Miscellaneous Appeal granted July 1, 1945 for the creation of a new dividing line resulting in a parcel 52 feet wide instead of the required 65 feet. The City of Portland should verify our interpretation of said Appeal.
 - Potential future encroachment of sewer line main. Approximate location of proposed sewer line based on Plan Reference 6 and subject to revisions.
 - See CCRD Book 1618, Page 104, dated October 8, 1894 which references a 10' wide right of way to the seashore. Location unknown.
 - See CCRD Book 503, Page 43, dated September 8, 1883 which references a right of way to the seashore. Location appears to be within Ocean Street.
 - See CCRD Book 377, Page 48, dated June 1, 1868 which references a right of way to the seashore. Location appears to be within Ocean Street.
 - See CCRD Book 2494, Page 20, dated August 19, 1959 which references rights to a wall located westerly of locus parcel. Wall not located.
 - See CCRD Book 30361, Page 116, dated January 11, 2013 for rights granted to Portland Water District.
 - Locus Parcel is depicted on the City of Portland Assessor's Map 90, Block B, as Lots 4, 5, and 6, and being listed as 368 & 374 Island Avenue.
 - The northerly sideline of the Heselton property was surveyed for purposes of determining the average abutting yard calculations. Per City of Portland Zoning, a front yard need not exceed the average depth of front yards on either side of the lot. No property markers were set along this line.
