Delivery Date: 4/26

A 10% non-refundable deposit is required before the building is built. Quotes are honored for 30 days from posted date, unless otherwise noted. Customer must check with their town and confirm that buildings can be placed and used where delivered. Hill View Mini Barns is not responsible for any building permits by the town/city or state. I authorize Hill View Mini Barns to charge my credit card for final purchase payment. I will pay immediately online
 Hill View Mini Barns recommends a gravel base or a cement slab that's flat and level on which to put the building.
 The driver is not responsible for cutting trees or branches, fences, or other obstacles that are in the way of getting to and placing the building in the desired location. There may be an additional charge of \$45.00 for each 1/2 hour for deliveries that take longer than 45 minutes. Hill View Mini Barns is not responsible for any property damage. Buildings not allowed placed under power lines.
