87 Church Rd

Cliff Island

ME 04019

Permit # 2014-01948

I have several reservations about this plan. I will attempt to find as much info on zoning in Chapter 14 as I can.

- * I notice there are measurement discrepancies between documents esp. boundary ^{lines}
- * The well at ~~87~~ Church is in use.
- * The invasive plant statements are only half true
- * The demolition worker is a resident of Cliff Bob Howard

* The shed appears to be on the property line w/ 77 Church

* They have erected a fence on the boundary w/ 77 Church it is 7-8' tall They have trespassed on 77 Church to put up no trespassing signs on the fence.

* What are the rules regarding surveillance of an abutters property? the Waldens threaten to install cameras at the boundary w/ 77 Church.
