November 26, 1926.

W. C. French
130 Highland Street
Portland, Maine.

Dear Sir:-

Enclosed is the building permit covering the erection
of a one family dwelling and combined private garage.

Since the garage is involved, the permit bears the
approval of the Chief of the Fire Department. His approval is
given upon the condition that all walls, partitions and ceiling
separating the garage from any part of the dwelling house will
be made of fire resistive construction on the garage side at
least, and that all doorways connecting the garage directly with
any part of the dwelling house be equipped with a tight fitting,
self-closing fire door, a frame covered with metal and the threshold
of the door raised at least six inches above the level of the
garage floor.

The building permit is given upon the condition that you
observe carefully his specifications.

Yours truly,

Inspector of Buildings.
