Dear Ms. Leader:

Please find attached revised drawings for Howard Yee's 120 Baxter Blvd. house additions project. They reflect your comments in your April 17 e-mail. I clouded the revisions in red with red revision #1 triangles dated today.

I created a new sheet, A-6 (A-6_Baxter_Wall_Sects_Dtls.pdf), with the wall sections and details connecting back to the existing house per your comments.

All the other previous sheets are all named exactly as before.

Thank you,

Steve Ruskai,

Maine Licensed Architect

Howard,

I have completed the review of the above project for building code and have the following comments as noted on the attached files.

Please send all revisions to this (my) email and please note that the pdf file name shall be exactly as the original, refer to the name of the attached files. Our Eplan program will automatically assign a version to the revised plans.

Let me know if you have any questions,

Thanks,

Laurie
