

Accessibility Building Code Certificate

Designer: E.S. Coffin Engineering

Address of Project: 53 Baxter Boulevard

Nature of Project: Fit-up of existing office space for
proposed tenant on second floor.

The technical submissions covering the proposed construction work as described above have been designed in compliance with applicable referenced standards found in the Maine Human Rights Law and Federal Americans with Disability Act. Residential Buildings with 4 units or more must conform to the Federal Fair Housing Accessibility Standards. Please provide proof of compliance if applicable.
