Subject: Fire Alarm System Review for Infinity Credit Union Portland, ME

I performed a review of the fire alarm system design drawings for the Infinity Credit Union at 29 Baxter Rd, Portland Maine. The submittal package included the floor plans, riser diagram, battery calculations, and cut sheets.

I found that the revision, dated January 30, 2017, of the fire alarm system design to be code compliant and adequately support the fire detection, alarm and notification requirements of this facility.
