Re: Revised Grading, Drainage and Erosion Control Plan for the Bangor Savings
Bank 20 Marginal Way, Portland, ME – Proj. ID: 2015-080

Dear Jeff:

Bangor Saving Bank would like to submit the attached revised Grading, Drainage and Erosion Control Plan for the city's records. Due to the large rain storm that hit Portland earlier this fall, Bangor Savings decided to be conservative and raise the finish floor elevation 1'-0".

Should you have any questions or need any additional information, please do not hesitate to contact me.

Sincerely,

David Latulippe
President
