Please submit all of the information	n outlined on the applicable c	hecklist. Failure to do so

causes an automatic permit denial.

In order to be sure the City fully understands the full scope of the project, the Planning and Development Department may request additional information prior to the issuance of a permit. For further information or to download copies of this form and other applications visit the Inspections Division on-line at www.portlandmaine.gov, or stop by the Inspections Division office, room 315 City Hall or call 874-8703.

I hereby certify that I am the Owner of record of the named property, or that the owner of record authorizes the proposed work and that I have been authorized by the owner to make this application as his/her authorized agent. I agree to conform to all applicable laws of this jurisdiction. In addition, if a permit for work described in this application is issued, I certify that the Code Official's authorized representative shall have the authority to enter all areas covered by this permit at any reasonable hour to enforce the provisions of the codes applicable to this permit.

Commercial Interior & Change of Use Permit Application Checklist

All of the following information is required and must be submitted. Checking off each item as you prepare your application package will ensure your package is complete and will help to expedite the permitting process.

One (1) complete set of construction drawings must include:

Note: Construction documents for costs in excess of \$50,000.00 must be prepared by a Design Professional and bear their seal.

N/A Cross sections w/framing details Project does not involve building structure

Detail of any new walls or permanent partitions

Floor plans and elevations

N/A Window and door schedules Project does not involve windows and doors

N/A Complete electrical and plumbing layout. Project does not involve plumbing. Electrical plans included for modifications to existing lighting and wiring.

N/A Mechanical drawings for any specialized equipment such as furnaces, chimneys, gas equipment,

HVAC equipment or other types of work that may require special review

N/A Insulation R-factors of walls, ceilings, floors & U-factors of windows as per the IEEC 2009 Project does not involve exterior walls

N/A Proof of ownership is required if it is inconsistent with the assessors records.

Reduced plans or electronic files in PDF format are required if originals are larger than 11" x 17".

N/A Per State Fire Marshall, all new bathrooms must be ADA compliant. Project does not involve bathrooms

Separate permits are required for internal and external plumbing, HVAC & electrical installations.

For additions less than 500 sq. ft. or that does not affect parking or traffic, a site plan exemption should be filed including:

N/A The shape and dimension of the lot, footprint of the existing and proposed structure and the distance from the actual property lines.

Project does not involve exterior work

N/A Location and dimensions of parking areas and driveways, street spaces and building frontage. Project does not involve exterior work

Dimensional floor plan of existing space and dimensional floor plan of proposed space.

A Minor Site Plan Review is required for any change of use between 5,000 and 10,000 sq. ft. (cumulatively within a 3-year period)

Portland, Maine

Yes. Life's good here.

Jeff Levine, AICP, Director Planning & Urban Development Department Tammy Munson, Director Inspections Division

Fire Department requirements.

The following shall be submitted on a separate sheet:

Name, address and phone number of applicant and the project architect.

Proposed use of structure (NFPA and IBC classification)

Square footage of proposed structure (total and per story)

Existing and proposed fire protection of structure.

N/A

Separate plans shall be submitted for Project replaces existing finishes with new - no changes to existing system which shall remain

- a) Suppression system
- b) Detection System (separate permit is required)

A separate Life Safety Plan must include:

	-a) Fire resistance ratings of all means of egress	Project replaces existing finishes with new which shall meet or exceed the existing fire rating
	b) Travel distance from most remote point to exit	discharge Plans provided indicate existing egress paths of travel and occupant loads. there will be no
	-c) Location of any required fire extinguishers d)	changes to either. existing to remain
	Location of emergency lighting	existing to remain
	e) Location of exit signs	existing to remain
	f) NFPA 101 code summary	Project replaces existing finishes with new. None of the proposed work will diminish compliance with codes
N/A	Elevators shall be sized to fit an 80" x 24" stretcher.	Project does not involve elevators

For questions on Fire Department requirements call the Fire Prevention Officer at (207) 874-8405.

Please submit all of the information outlined in this application checklist. If the application is incomplete, the application may be refused.

In order to be sure the City fully understands the full scope of the project, the Planning and Development Department may request additional information prior to the issuance of a permit. For further information or to download copies of this form and other applications visit the Inspections Division on-line at www.portlandmaine.gov, or stop by the Inspections Division office, room 315 City Hall or call 874-8703.

Permit Fee: \$30.00 for the first \$1000.00 construction cost, \$10.00 per additional \$1000.00 cost

This is not a Permit; you may not commence any work until the Permit is issued.

Portland, Maine

Yes. Life's good here.

Jeff Levine, AICP, Director Planning & Urban Development Department Tammy Munson, Director Inspections Division

Electronic Signature and Fee Payment Confirmation

Notice: Your electronic signature is considered a legal signature per state law.

By digitally signing the attached document(s), you are signifying your understanding this is a legal document and your electronic signature is considered a *legal signature* per Maine state law. You are also signifying your intent on paying your fees by the opportunities below.

I, the undersigned, intend and acknowledge that no permit application can be reviewed until payment of appropriate permit fees are *paid in full* to the Inspections Office, City of Portland Maine by method noted below:

Within 24-48 hours, once my complete permit application and corresponding paperwork has been electronically delivered, I intend to **call the Inspections Office** at 207-874-8703 and speak to an administrative representative and provide a credit/debit card over the phone.

Within 24-48 hours, once my permit application and corresponding paperwork has been electronically delivered, I intend to **hand deliver** a payment method to the Inspections Office, Room 315, Portland City Hall.

I intend to deliver a payment method through the U.S. Postal Service mail once my permit paperwork has been electronically delivered.

Applicant Signature:	
I have provided digital copies and sent them on:	Date:

NOTE: All electronic paperwork must be delivered to <u>buildinginspections@portlandmaine.gov</u> or by physical means ie; a thumb drive or CD to the office.
