1) * Banners must be removed after 60 days.			
* The size of the proposed banner, which is part of an initiative to install 6 over-sized banners to advertise the Greater Portland United Way campaign, well exceeds the allowable square footage for community/cultural banners. An exception for the proposed size is granted in this instance because the banners advertize a community-wide campaign supporting a significant number of non-profits within the region. Additionally, the installation is limited to 30 days.

Just need this letter of support e-mailed back in order to submit the proper application for permit to the City.
