Hello Dava,

I spoke with John Bennett and he has agreed to the awning. He would like some specifics that would include the dimensions, color, and material you choose. He would also like to know who is installing the awning and when it is scheduled to be placed.

I am sure if you asked Tina Rodda or Mary Adams at Kitchen Cove they would be happy to help you match to theirs.

I hope things are progressing nicely in your space.

Peg

Subject: Awning

Hi Peggy,

Do you know if I have landlord permission to put an awning above my door? I would like to keep it consistent with Kitchen Cove's, same style black with white lettering. I think it will be nice in the rain!

Thanks so much,

Dava
