Good Morning,

Attached is an amended permit and revised plans for the already issued permit 2015-01292.

The changes have been circled with a cloud by the architect.

The changes that have been made:

- Office 111A no longer has new interior divider wall
- Flooring is all the same in Office 111A
- New drywall framed doorway in Open Office 110
- New low wall around fridge in Open Office 110

Please let me know if you have any questions.
