Dear Lynne,

An evaluation of the construction activities at 85 Oakdale St. by Kevin Carr oll, Code Enforcement Officer, revealed that the work has been performed in compliance with Building Permit #000167 with respect to land use. These evaluations were done on 5/15 and 5/24/00. The permit specifically disallows any additional dwelling units.

There will be subsequent inspections pursuant to permit procedures at which time compliance with all applicable ordinances is required. Please feel free to contact me at 874 -8700, if you have any questions or wish to discuss this further.

Sincerely,

Mike Nugent  
Manager of Inspection Services
