PRODUCT OVERVIEW Model # THDJW166100244 | Internet # 202036492 | Store SKU # 878527

JELD-WEN Premium Steel doors offer that relied-upon strength, durability and ease of maintenance that complement your home's style. Their high definition panels create an upscale look that adds architectural interest for increased curb appeal. Our strong and secure steel doors are built to prevent water absorption and resist rust to enhance your home for many years.

California residents: see [Proposition 65 information](#)

- Strong and secure steel with high definition panels for a high-end look
- Energy efficient core to help lower heating and cooling cost
- Polystyrene core provides long-lasting insulation
- 90-minute fire rating lessens spread of fire and smoke in home
- Galvanized steel resists rust and corrosion
- 2-Coats of neutral, low-sheen, baked-on enamel primer enables easier finishing
- Primed doors give you the design flexibility to choose any finish color
- Door is prehung in frame for easier installation
- Predrilled double bore hole for lock installation (lock sold separately)
- From the outside, door opens into the home with hinges on the left
