STANDARD LEASE AGREEMENT MAY 13a

LEASE made as of this 9th day of ~~October~~ 2015, by and between Todd E. Angerhofer ("Landlord") and MATTHEW DUGGAN and NO OTHERS (in this Lease called "Tenant," even if there is more than one person considered a Tenant).

WITNESSETH:

1. **PREMISES LEASED.** Landlord does hereby lease to Tenant, and Tenant does hereby lease from Landlord, a single-family apartment residence known as Unit 3 (the "Premises") in the building located at 63 Williams Street, Portland, Maine. Tenant acknowledges that and that it accepts the Premises in their "as is" condition, except as specifically required by Maine law as to habitability of residential premises, and agreed to by Tenant and Landlord.

In addition, Tenant has the right to use, in common with other occupants of the building of which the Premises are a part, the two (2) common stairwells that serves said building, and the following common areas, which shall be considered a part of the Premises: the basement, front porch and a parking area adjacent to the building of which the Premises are a part, consisting of two (2) separate driveways, although Landlord may curtail use of the Oakdale Street driveway. All units shall be entitled to park one (1) car in said parking area at the Premises in locations and orientations designated by Landlord, but on a first-come first-served basis, and that parking is otherwise on-street on a first-come, first-served basis. Additional cars may be allowed to park in the lot, at Landlord's discretion, for \$25/month. Tenant shall report make, model, and license numbers of permitted cars to Landlord. Guests may park in the lot (same information provided to Landlord), provided the responsible tenant is not parked in the lot. Tenant further acknowledges that the driveway leading from Williams Street to the Premises is a common driveway shared with the other residents and that the garage shall never be blocked nor shall Tenant cause anyone to be "parked in" or obstructed, excepting however, in snow emergency situations when the City of Portland declares that the streets must be cleared for plowing, in which case Tenant shall use reasonable and cooperative efforts with other Tenants in the building to share the driveway until plowing is complete. Tenant agrees to fully cooperate with the Landlord and other occupants of the building of which the Premises are a part in the use of common areas and agrees to comply with reasonable rules imposed from time to time by Landlord on the use of same. Upon receipt of Landlord's prior written consent, Tenant shall have the right to store personal belongings in said basement of the building, provided, however, that the specific location of such basement storage shall be designated by Landlord and such basement storage right may be revoked by Landlord at any time in its sole and absolute discretion.

1-A. **OCCUPANCY; PETS; SMOKING.** The Premises will be occupied only by THE FOLLOWING PERSONS:

MATT DUGGAN

Pets may be permitted in the Premises subject to the discretion of Landlord, and subject to the following policy and fee schedule:

No birds (of any kind), fish, or reptiles will be considered. Pet offspring are not allowed. In the event of the death of a permitted pet, any replacement pet shall not be allowed on the Premises unless and until approved by Landlord.

PLEASE NOTE: Landlord reserves the unrestricted right to refuse to permit any pet of any sort in its sole discretion. Furthermore, Landlord reserves the right to remove any pet from the Premises at any time under the terms of the attached Pet Agreement (attached hereto as Attachment 3), at Tenant's expense, for reasons of concern related to health, safety, or animal welfare.

In addition to the Lease, pet owners shall be required to sign a Pet Agreement which sets forth the terms under which Tenant can keep the pet at the Premises. The Pet Agreement will cover rules and regulations, pet owner responsibilities, and the conditions under which the Pet Agreement may be revoked by Landlord if the pet becomes a problem. No pets will be allowed at the Premises unless pre-approved in writing by Landlord and unless Tenant and Landlord sign the attached Pet Agreement.

Deposits and Fees:

Pet Deposit: \$250.00 per dog or \$100 per cat due at signing of Pet Agreement
The Pet Deposit is refundable when the pet moves out provided that the pet owner has conformed to the terms of the Pet Agreement. Landlord agrees to waive this requirement with the exception of funds already in Tenant's deposit at the time of the start of this lease, for all pets currently in possession of Tenant. Pet deposits for other types of animals shall be as specified by Landlord, as needed.

Monthly Pet Fee: \$0.00 per pet, per month

Fees are subject to change without notice in the discretion of Landlord and Landlord reserves the right to waive or modify any of the foregoing policy requirements on a case-by-case basis.

If there is more than one person listed as a Tenant, each person shall be jointly and severally liable for all of Tenant's obligations and promises under this Lease. This means that each Tenant is fully liable to Landlord as if that person is the only Tenant, even if fewer than all Tenants are in breach. Any breach by any Tenant will be considered a breach by all Tenants. Under no circumstances shall the Premises be occupied by more than four (4) persons if a two-bedroom unit nor more than two (2) persons if a one-bedroom unit. Guests shall not remain with the Tenant for more than seven (7) consecutive days or more than fourteen (14) days in any twelve (12) month period without the consent of Landlord. Unless otherwise agreed by Landlord for each individual case, guests shall be escorted by a resident listed herein, while entering and exiting the building, and no guest shall be on the Premises without the presence of a listed resident to ensure the guest's good conduct. In all cases, Tenant shall be responsible for the conduct of guests, whether Tenant is present or not.

The Tenant shall not smoke (e.g., use cigarettes, pipes, cigars) and shall not permit smoking at the Premises or in any of the common areas within the building of which the Premises are a part. Tenant shall not smoke within 10 feet of the building, and shall extinguish and dispose of smoking materials only in a receptacle, separated from the house by at

Jim

least 10 feet, provided for that purpose by Landlord. Tenant shall not dispose of smoking materials on the ground of the property, sidewalks, or in the street. Tenant hereby acknowledges that Landlord shall be entitled to retain any and all security deposit amounts that Landlord shall deem necessary upon Tenant's departure from the Premises for the purpose of cleaning and/or deodorizing the Premises regardless of whether there is visible damage to any portion of the Premises. Tenant shall have the right to smoke outside of said building in an area designated by Landlord in its sole and absolute discretion.

2. **TERM.** From 9 MAY 2015 to 8 MAY 2016

3. **RENT.** Tenant covenants and agrees to pay monthly rent in the amount of Nine Hundred Dollars (\$900.00 payable in advance on the first day of each month during the term and any additional or supplemental rent as provided herein and in the attached, so that Tenant's total monthly rent shall be the amount listed at the beginning of this Lease. If the term begins on any day other than the first day of a month, or ends on any day other than the last day of a month, the rent for the first month or the last month, as the case may be, shall be prorated. If Tenant does not pay an installment of rent and/or any other charges due under this Lease within fifteen (15) days from its due date, Tenant agrees that Landlord, in its sole discretion, may impose a late charge of four percent (4%) of the unpaid amount or the maximum then permitted by law. The right of Landlord to impose such late charge shall be in addition to any not in lieu of any other rights or remedies of Landlord under this Lease. In the event any Tenant check is returned for insufficient funds, there shall be an additional \$20 returned check fee imposed. Rent DOES include heat and domestic water for the Premises, provided that Tenant agrees to exercise prudence in the use of the heating facilities (e.g., to turn down the heat when no one is in the Premises) and to be responsible for the cost of heat that is in excess of normal and customary consumption levels.

Rent for May 2015 is hereby prorated to \$450.00

Rental payments and notices to Landlord under this Lease must be sent to Landlord at the following address: 63 William Street Apartment 2, Portland ME 04103 (or such other address as is communicated to Tenant by Landlord from time to time). Written notices from Landlord to Tenant shall be considered duly sent if addressed to Tenant at the Premises. If landlord provides a secure receptacle for rent checks, Tenant may use that instead to deliver checks.

4. **SECURITY DEPOSIT.** At the time of the execution of this Lease, Tenant has deposited with Landlord an amount equal to Nine Hundred Dollars (\$900.00) as a security deposit (the "Security Deposit") for the performance by Tenant of all Tenant's covenants and obligations hereunder, receipt whereof Landlord acknowledges by its signature below. In the event of a default by Tenant, Landlord may use the Security Deposit, or any portion thereof, to cure such default or to compensate Landlord for damages sustained by Landlord resulting from such default. Tenant shall immediately on demand pay to Landlord a sum equal to the portion of the Security Deposit expended or applied by Landlord as herein provided so as to maintain the Security Deposit in the sum initially deposited with Landlord. Landlord shall return the Security Deposit to Tenant within thirty (30) days after the expiration or termination of this Lease, except that if Landlord has cause for retaining any portion of the Security Deposit it shall provide to Tenant a written itemization of the moneys retained, together with a check for the balance (if any) within the thirty (30) days. Unless required by law, Landlord shall not be required to pay Tenant any interest on the Security Deposit.

In the event of termination of Landlord's interest in the premises, Landlord will (after any permitted deductions) transfer the Security Deposit to Landlord's successor and notify Tenant of such transfer by mail, identifying the transferee and transferee's address. Landlord will thereafter have no further obligation as to the Security Deposit.

5. **UTILITIES.** Landlord shall supply heat and domestic water. Tenant shall pay directly for all charges for gas, other utilities (electricity, security system, lights, power and telephone or other communication utility service) used,

rendered or supplied upon or in connection with the Premises, including any gas service to appliances in the Premises, and accounts for such utilities shall be set up by Tenant in Tenant's own name; provided that Landlord shall be responsible to provide heat and domestic water in accordance with the terms of this Lease. Tenant agrees to maintain heat at a reasonable level in the Premises so that water pipes do not freeze. Landlord has provided coin-operated laundry facilities which may be used by all occupants of the building of which the Premises are a part.

6. **MAINTENANCE, REPAIRS AND CONDITION AT SURRENDER OF PREMISES.**

(a) Maintenance by Tenant; Alterations Prohibited. Tenant agrees to maintain the Premises and any furnishings and appliances supplied by Landlord in a good, clean and safe condition at all times, and, except for repairs and maintenance required on account of fire or other casualty, Tenant shall be responsible for all ordinary maintenance of the interior of the Premises. Tenant must furnish Tenant's electric light bulbs during the term of this Lease. All garbage and trash must be placed in suitable containers and emptied on a regular basis. Tenant shall at all times comply with the City of Portland's requirements for garbage disposal and recycling. Recycling shall only be placed on the curb in recycling bins supplied by Landlord, with the exception of corrugated cardboard which is too large for said bins. Notwithstanding the foregoing, Tenant shall be responsible for the storage of its own recycling prior to depositing the same on the curb for pick-up. The Landlord shall supply covered containers for storage of garbage outside the Premises. All such garbage shall be in Portland garbage bags supplied by Tenant. Tenant agrees not to pour grease or put rubbish or other improper articles in the sinks or toilets. Nails or screws shall not be driven in the walls or woodwork and additional or replacement locks shall not be placed on doors or windows without the written permission of Landlord, except such lock installation as is permitted by Maine law. Without Landlord's written consent Tenant shall not paint or paper any portion of the Premises and shall make no alterations, decorations, additions, affixations, or improvements to the Premises. All materials installed in or affixed to any portion of the Premises by either party including, without limitation, all paneling, decorations, partitions, wall-to-wall carpeting, other attached floor coverings, floors, storm windows, storm doors or screens, washers or dryers shall become the sole property of Landlord, and shall remain in and be surrendered with the Premises, as part thereof, at the end of the term hereof or any extension or renewal thereof. Window-unit air conditioners may only be installed with the Landlord's prior written consent and approval of location and method of installation.

(b) Snow Plowing. The Landlord is responsible for snow plowing and removal from accessways and other common areas of the Premises. In the event that Landlord makes arrangements for snow removal service to the Premises, Tenant shall be responsible for payment of a pro-rata portion of all such costs upon demand by Landlord.

(c) Tenant's Personal Property; Insurance. Any personal property of the Tenant shall be at the sole risk of the Tenant. Subject to provisions of applicable law, Landlord shall not be liable for damage to or loss of property of any kind which may be lost or stolen, or damaged or destroyed by fire, water, steam or otherwise, while on the Premises, unless arising from the omission, fault, negligence or other misconduct of Landlord. Tenant shall insure Tenant's personal property and liability with a policy of "renter's insurance" and Tenant's property shall be the sole responsibility of Tenant. It shall be a default under this Lease if Tenant's insurance shall lapse or shall not be renewed. Tenant shall provide to Landlord proof of Personal Property Insurance, including insurer, policy holder information, amount, and policy number.

- (d) Tenant's Obligations at End of Term. At the expiration of the term, Tenant shall surrender the Premises to the Landlord in the same condition as they were in at the commencement of the term, reasonable use and wear and damage by fire or other casualty only excepted. Tenant shall, at time of vacating the Premises, clean the same and if such cleaning is not accomplished by Tenant, Landlord may pay for the cost thereof and charge such cost to Tenant. Additionally, Tenant will at the request of Landlord have all carpets professionally cleaned by the end of the term and prior to vacating the Premises. **All property left behind by Tenant will be at Tenant's risk and will be stored and, ultimately, sold or otherwise disposed of by Landlord in accordance with Maine law.**
- (e) Radio/television/satellite aerials. Aerials, dishes, satellite receivers and any similar installations (other than those already in place) and signs of any kind shall not be placed or erected on the roof or exterior of the Premises or windows without Landlord's prior written consent as to location and method of installation. Any such permitted installations shall be installed at Tenant's own risk and shall remain the full responsibility of Tenant. Upon the expiration or earlier termination of this Lease, Tenant shall remove all such installations at Tenant's expense and restore the condition of the Premises to its condition immediately prior to the installation.
- (f) Additional Tenant Maintenance Obligations. Tenant acknowledges that in addition to Tenant's other maintenance obligations under this Lease, Tenant shall provide appropriate climate control, keep the Premises clean, and take other measures to retard and prevent mold and mildew from accumulating in the Premises. Tenant agrees to clean and dust the Premises on a regular basis and to remove visible moisture accumulation on windows, walls, and other surfaces as soon as reasonably possible. Tenant agrees not to block or cover any of the heating, ventilation, or air-conditioning ducts or appliances in the Premises. Tenant also agrees to immediately report to the Landlord: (i) any evidence of a water leak or excessive moisture in the Premises, as well as in any storage area, garage or other common area; (ii) any evidence of mold- or mildew-like growth that cannot be removed by simply applying a common household cleaner and wiping the area; (iii) any failure or malfunction in the heating, ventilation, or air-conditioning system in the Premises; and (iv) any inoperable doors or windows; and (v) any broken appliances, structures, or equipment provided as part of the apartment as leased. Tenant further agrees that Tenant shall be responsible for damage to the Premises and Tenant's property as well as injury to Tenant and/or Tenant's guests resulting from Tenant's failure to specifically comply with the terms of this section.

7. ASSIGNMENT AND SUBLETTING. Tenant shall not assign this Lease or sublet the Premises or any part thereof without Landlord's prior written consent which landlord may withhold in Landlord's sole discretion, and any transfer or assignment hereof without such consent shall be void and of no effect. Tenant acknowledges that Landlord may sell the building of which the Premises are a part, in which case Landlord's interest under this Lease shall be automatically assigned to the purchaser of said building, and all of Tenant's obligations shall remain in full force and effect.

8. DESTRUCTION or DAMAGE BY FIRE, EMINENT DOMAIN OR CASUALTY. In the event that the Premises or any part thereof shall be taken by eminent domain or shall be so damaged or destroyed by fire or unavoidable casualty, that the Premises are thereby rendered untenable, then either Landlord or Tenant may terminate this Lease upon written notice to the other and the rent shall be prorated as of the date of such termination.

MD

In the event of any damage to the Premises due to electrical, plumbing, water leak or fire, or in the event the electrical, heating or plumbing system needs repairs Tenant agrees to immediately notify Landlord or Landlord's agent of the same and to take reasonable steps to limit the damage.

9. **DEFAULT.**

- (a) Tenant's Default: If Tenant shall default in the performance of any of Tenant's obligations hereunder, or if an assignment shall be made by Tenant for the benefit of creditors, or if Tenant's leasehold interest hereunder shall be taken on execution, then in any of such cases Landlord shall be entitled to all remedies available to Landlord at law and/or equity, including, without limitation, the remedy of forcible entry and detainer (eviction), and Landlord may lawfully, immediately and at any time thereafter, and without further notice or demand, and without prejudice to any other remedies mail or hand deliver a notice of termination addressed to Tenant at the Premises, and upon such delivery or mailing this Lease shall terminate. Tenant acknowledges that Landlord is entitled to recover damages for breach of this Lease, which may include, without limitation, the amount of the total rent remaining due under this Lease for the full term as if the same had not been terminated, less any proper credits (including credits resulting from Landlord's obligation to mitigate under Maine Law), and any other expenses of Landlord incurred in connection with the retaking of possession of the premises and the removal and storage of Tenant's effects and the recovery of damages. Landlord's termination of this Lease shall not terminate or defeat Landlord's right to recover rent and damages.
- (b) Landlord's Default: Unless otherwise provided by applicable law, Landlord shall in no event be in default on the performance of any of its obligations hereunder unless and until Landlord shall have failed to perform such obligations within thirty (30) days or such additional time as is reasonably required to correct any such default after written notice by Tenant to Landlord specifying wherein Landlord has failed to perform such obligation. Moreover, unless otherwise provided by applicable law Tenant agrees to look solely to Landlord's interest in the Premises for recovery of any judgment from Landlord, it being specifically agreed that neither Landlord nor anyone claiming under Landlord shall ever be personally liable for any such judgment. The provision contained in the foregoing sentence is not intended to and shall not limit any right that Tenant might otherwise have to obtain injunctive relief against Landlord or Landlord's successors in interest, or any other action not involving the personal liability of Landlord or anyone claiming under Landlord to respond in monetary damages from their assets, other than their interest in the Premises.

10. **QUIET ENJOYMENT, USE OF PREMISES.**

- (a) Quiet Enjoyment. Tenant, upon payment of the rent and observing, keeping and performing all of the terms and provisions of this Lease on its part to be observed, kept and performed, shall lawfully, peaceably and quietly have, hold and occupy and enjoy the Premises during the term without hindrance by persons lawfully claiming under Landlord. Tenant recognizes that multi-family buildings can result in some tenant noises being heard by other tenants and accepts that condition as part of the use of the Premises. The period of 10pm-7am shall be quiet hours, and all residents and guests shall comply with requests from others residents to reduce noise during that period.
- (b) Tenant's conduct and damages. Tenant agrees not to do or permit any act or thing on the Premises or any common areas that shall be unlawful or create a nuisance or shall interfere with the rights, comforts or

REN

conveniences of neighbors. Tenant will be responsible for any damage to the Premises caused by any negligent acts on the part of Tenant, Tenant's agents, guests, servants or employees, and shall also be responsible for any damage caused by overflow or leaks from drains or plumbing, due to the negligence of Tenant, Tenant's guests, servants or employees. Except as may be provided by applicable law, Landlord shall not be responsible for any damage due to discontinuance of utility service beyond Landlord's reasonable control.

- (c) Residential Use Only. No business of any sort shall be conducted at the Premises and they shall be used for exclusively residential purposes.
- (d) Keys. Keys are the property of Landlord; Tenant shall not make duplicates, and shall not allow anyone not listed herein as a resident to possess or handle keys without prior explicit agreement of Landlord for each individual case. Tenant shall deliver all keys to Landlord or Landlord's agent within twenty-four (24) hours after vacating. Failure to comply will be cause to charge Tenant pro-rated daily rate of monthly rent until keys are received by Landlord, and/or cause to charge Tenant for the cost of replacement locks and keys.

11. **INSPECTION; NOTIFICATION; LANDLORD'S AGENT.** The Landlord or its agents may enter the Premises to inspect periodically for compliance with the terms of this Lease, to show them to prospective tenants, to make repairs or improvements, or to provide utilities or other services provided that, except in case of an emergency, Landlord shall enter only at reasonable times and upon twenty-four (24) hours prior notice. Landlord can be contacted at the following number: (202) 701-3765.

12. **LEAD PAINT DISCLOSURE.** **The Premises were built prior to 1978; Landlord and Tenant shall complete Attachment 1.**

13. **HOLDOVER.** If the Tenant remains in possession of the Premises, or any part thereof, after the expiration or sooner termination of this Lease, such holding over shall be a month-to-month tenancy at a rental rate equal to 125% of the rate in effect at the end of the term of this Lease, and Tenant shall be subject to all other terms and conditions of this Lease.

14. **MISCELLANEOUS.**

- (a) Meaning of "Landlord" and "Tenant". The words "Landlord" and "Tenant" shall be deemed and taken to mean each and every person or party mentioned as a Landlord or Tenant herein, be the same one or more; and if there shall be more than one Landlord or Tenant, any notice required or permitted by the terms of this Lease may be given by or to any one thereof, and shall have the same force and effect as if given by or to all thereof. The use of the neuter singular pronoun to refer to Landlord or Tenant shall be deemed a proper reference even though Landlord or Tenant may be an individual, a partnership, a corporation, or a group of two or more individuals or corporations. The necessary grammatical changes required to make provisions of this Lease apply in the plural sense where there is more than one Landlord or Tenant and to either corporations, associations, partnerships, or individuals, males or females, shall in all instances be assumed as though in each case fully expressed.
- (b) Entire Agreement; Amendments and No Waiver. This Lease with its attachments constitutes the entire agreement between Landlord and Tenant with respect to the subject matter contained herein and there are no understandings or agreements between Landlord and Tenant with respect to said subject matter which

MD

are not contained herein. This Lease cannot be amended except by written instrument executed by both Landlord and Tenant. The waiver of a breach of any term, condition or covenant contained in this Lease shall be effective only if in writing and shall not be considered to be a waiver of any other term, condition or covenant, or of any subsequent breach of any nature.

- (c) Invalid provisions. Any provisions of this Lease which shall prove to be invalid, void, or illegal shall in no way affect, impair or invalidate any other provision hereof and such other provisions shall remain in full force and effect; in particular and without limitation, it is not the intention of the parties that any provision of this Lease be construed to require Tenant to waive any non-waiveable tenant rights established in Title 14, Maine Revised Statutes Annotated, Section 6001, and subsequent sections and Section 6031, and subsequent sections. The headings or captions in this document shall not be taken into account in construing the meaning of the provisions hereof.
- (d) Failure to deliver. If Landlord is unable through no fault of Landlord to deliver possession of the Premises to Tenant within ten (10) days of the commencement date of this Lease, Tenant may cancel this Lease by notice to Landlord, and neither party will have any further obligation hereunder and any sums paid under the Lease will be refunded to Tenant. Tenant will have no other remedy for Landlord's inability to deliver the premises unless the same is caused by Landlord's negligence or wrongful acts.
- (e) Governing Law; Successors and Assigns. This Lease shall be governed exclusively by the provisions hereof and the laws of the State of Maine. The provisions of this Lease shall be binding upon and inure to the benefit of the respective successors and assigns of Landlord and Tenant.

15. **SMOKE AND CARBON MONOXIDE DETECTORS.**

- (a) In accordance with 25 M.R.S.A. § 2464(9)(A) and § 2468(5)(A), and any successor and/or replacement laws and/or related regulations and ordinances, Landlord has provided one (1) smoke detector and one (1) carbon monoxide detectors in the Premises and such detectors are in good working condition as of the date first above written. Upon Landlord's receipt of written notification of a deficiency in any detector(s) from Tenant, Landlord shall promptly repair or replace such detector(s). If Landlord is unaware of any detector deficiency and has not received written notification of any detector deficiency, Landlord's failure to repair or replace a detector may not be considered as evidence of negligence in a subsequent civil action arising from death, property loss or personal injury.
- (b) With respect to the smoke detectors and carbon monoxide detectors which Tenant acknowledges are currently present in the Premises and in good working order, Tenant agrees to maintain each detector in good working condition by: (i) keeping the detector connected to the electrical service in the building; (ii) replacing batteries in each battery-operated detector as needed, but at least once every six months; (iii) testing each detector weekly to ensure it is functioning properly; and (iv) refraining from disabling any of the detectors. Tenant agrees that it shall immediately notify Landlord in writing of any suspected malfunctions, deficiencies or failures of any smoke detectors and carbon monoxide detectors.
