Hello Barbara, Tuck, Anne, David, Tom, and Mike,

Thank you for the informative meeting yesterday. I've copied our team that will be working hard to turn around the conditional use application. I can speak to the program, but PCS is extremely lucky to have such a great Real Estate Team. Members of our team have spent years of pro-bono work to get this organization where it is today.

Sandy Spaulding - Chair of Real Estate Committee

John Robinson - Broker

Harvey Klugman - Building Due Diligence

John Whipple - Architect

Hawley Strait - Real Estate Lawyer

John Adams - Parking/Traffic

Mary Costigan - Helping with neighborhood and city process

Our full real estate team meets tomorrow, and we will be in touch with the appropriate officials after the meeting. Please don't hesitate to email me as thoughts arise.

Sincerely,

Barrett Takesian
