

State of Maine
Department of Public Safety
Fire Sprinkler System Permit

10309

363 House

Located at: 363 Deering Ave
 In the Town of: Portland
 Occupancy/Use: Residential
 Type of System: NFPA 13D

Permission is hereby given to:

Southern Maine Plumbing & Heating Inc*
 160 Presumpscot Street
 Portland, ME 04103
 Contractor License # 889

to begin installation according to plans submittal approved by the Office of State Fire Marshal. The submittal is filed under log # 2121451 , and no departure from the application submittal shall be made without prior approval in writing. This permit is issued under the provisions of Title 32, Chapter 20, Section 12004-I. Nothing herein shall excuse the holder of this permit from failure to comply with local ordinances, zoning laws, or other pertinent legal restrictions. This permit shall be displayed at the construction site or be made readily available.

This permit was issued on 10/25/2012 for a fee paid of \$25.00

This permit will expire at midnight on Tuesday, April 23, 2013

The expiration date applies only if the installation has not begun by that date and no permission has been granted to extend the date. Once installation begins, then the permit is valid for however long it takes to complete the installation, assuming that the work is fairly continuous.

John E. Morris
 Commissioner

The type of Fire Department Connection and its location is to be according to the Local Fire Department

Within 30 days of the completion of a new fire sprinkler system or an addition to an existing fire sprinkler system, a fire sprinkler system contractor shall provide to the Office of State Fire Marshal a copy of this permit signed and dated by the certified Responsible Managing Supervisor representing that the fire sprinkler system has been installed according to specifications of the approved plan to the best of the supervisor's knowledge, information, and belief. This requirement is part of the sprinkler law, and neglect of this duty is grounds to not renew the contractor's license to do work in the State of Maine. All renewed sprinkler licenses are good for two years and expire on a June 30th.

Job completed, tested and verified by date of 7-23-2013
