Gentlemen:

Advance permit for excavation and construction of foundation only for proposed one and one-half story building at the above named location is issued herewith. It is understood that revised architectural plans are being prepared for filing with the application for the general construction permit, which has already been filed. Check of that permit will therefore be delayed pending receipt of such revised plans. It should be borne in mind that no work beyond the foundation wall is covered by this permit and that therefore it is unlawful to proceed with the work beyond that point until the general construction permit has been issued.

Very truly yours,
