HOW TO BUILD YOUR CUSTOM INSERT:

1. Choose an insert by size, BTUs and venting system (your Vermont Castings dealer will be able to help you here).
2. Choose face kit(s) – goes on the front of the insert, choices vary by model.
3. Choose a surround – goes around the insert and closes off the fireplace opening. Again, choices vary by model.
4. Choose additional accessory – brick lining, remote control, thermostat.
