Dear Mr. & Ms. Love,

The Portland Fire Department is following up on outstanding code violations; our records show that your property has a number of violations.

We would like to schedule an inspection at a time that is convenient for you to follow up, we would like to confirm that corrections have been made and document for our purposes and yours that the property is currently compliant with applicable codes and ordinances. We understand that this property was recently purchased by you, I have attached a copy of the outstanding violations for your review.

The codes and ordinances that apply to your property can all be found on line at www.portlandmaine.gov under the "Government", "Fire Department" and "Fire Prevention" tabs and through the NFPA free search engine at www.NFPA.org.

Please contact the Fire Prevention Bureau at 207-874-8400 to schedule this inspection.

We look forward to hearing from you.

Respectfully,

Captain David P. Petrucci
