Hi Joe,

I am in receipt of your permit for interior alterations at 342 Woodford Street. The last approved use on file is a single family dwelling. You are stating that it is an existing two family. Before I can sign off on your permit application for zoning, you must legally change the use of the building from one dwelling unit to two dwelling units using the R-5 underlying zone requirements.

This permit application is on hold until the building can be legalized to two dwelling units. If you have any questions, please call me at (207) 874-8695.
