RE: 295-297 Woodford Street  
CBL: 123G005

Dear Bill,

Enclosed is a proposal submitted to me by a Mr. Stanley Smith, who is the current owner of the above referenced property, where Mr. Mark Varanelli installed a new service and has done extensive electrical work, according to Mr. Smith.

I then investigated the existence of Mr. Mark Varanelli's electrical license, and lo and behold, he does not hold a State of Maine electrician's license of any type.

Mr. Varanelli installed the electrical equipment without an electrical permit, and illegally bypassed CMP metering to supply power to the Mr. Smith's apartments.

As an official of the City of Portland, I am requesting that the State of Maine, takes whatever action it deems necessary to bring Mr. Varanelli to justice, and prevent any further incidences from occurring.

Sincerely,

Michael A. Collins  
Chief Electrical Inspector
