

6/5/02. Checked hood & suppression system with LT MAC.

Everything looks good. Questions asked about the 75.00 paid for new occupancy permit as former tenant was a FSE establishment. Radioed Mike Nugent who did not answer and referred me to Marge Smuck. Told customer I would ask Marge & get back to her.

Clearcut

CBZ # 123-F-20

permit # 02-0462
