Hello,

This is acceptable to the Fire Dept. for a time period in getting the fire rated doors installed. **(June 15, 2016)** I will have Tori put this email on file to document our POA (Plan of Action). You need to contact us when you're ready for a re-inspection so that we may eventually dismiss the case.

Tori can be reached M-F 8:30 am - 4:30 pm at 874-8400 to schedule a re-inspection.

Thank you for taking care of these Life Safety violations in your building.

Keith

Good morning,

We spoke on the phone last week regarding 286-288 Woodford st. and the inspection violations. I wanted you to know that I am in the process of getting quotes for the fire rated doors and if I should get my 3 quotes in today, I will be ordering the doors today. There is 1-2 weeks of ordering time. I would like to have the work complete by June 15, 2016.

Also, I left notices on the tenant doors for the personal items that were in the hallway, I gave them 24 hours to remove, which I will be going there today to double check to make sure that has actually happened.

Could you please respond to this email letting me know your thoughts of the completion date.

Thank you,  
Debbie Oddy
