Dear Margaret and Thorvald Hoy:

A re-inspection at the above-referenced property was made on twentieth day of March 2007.

This is to certify that you have complied with our request to correct the violation(s) of the Municipal Code relating to housing conditions noted on the attached report. Based on verbal agreement with Margaret the remaining rubbish in back of the two pick-up trucks must be removed, and the porch and overall yard must be clear of various miscellaneous junk, rubble and debris at all times.

This notice is intended to document that you have corrected the specific violations as previously noted. It is not intended to indicate compliance with other City regulations, it also does not imply that the structure or premises is violation free.

Thank you for your cooperation. If you have any questions, feel free to contact me at this office.

Sincerely,

Jon Rioux @ (207) 874-8702
Building Inspector
