Mr. Turski,

This office has received numerous complaints from various neighbors stating that you are in the process of converting your building from a two family dwelling to a three family.

An inspection was done on 11/15/84 and the complaints were found to be not valid. This letter is to inform/reinforce you that your building is located in a R-3 Zone which means that only one & two family dwellings are allowed.

If you have any questions, please feel free to call me.
