Attn: Zoning Administrator

I, April S. Fry, am the owner of the residential property at 149 Ashmont St., Portland, Maine. I grant my husband, Joel K. Bolton, permission to use our home to conduct a city-approved home occupation from the premises. Specifically, he will be operating his sole proprietorship here as a web designer/developer and real estate and Google business photographer. His business services do not entail having customers, nor are any structural changes necessary. Primary work is performed on computers and there will be no impact from this business effecting our neighborhood.

Please contact me at 207.773.0874 if you require any additional information in this regard.

Sincerely,

April S. Fry
