December 17, 2014

Dear Mr. Block:

This will confirm that you have engaged me to complete the work on Apartment 3 at 96 Lincoln Street in Portland. The remaining work consists of reconstructing and widening the front stairway leading to Apartment 3 and installing additional fire doors. As I explained, I am currently booked until May, but I have scheduled this project to be completed in May or early June, 2015.

Sincerely,

R. Peter Doughty
