Dear Mr. Hassapelis,

This letter is in reference to your application to construct a deck and garage. This permit is not issuable because the requirements of section 14-90 would not be met. It is my understanding that the construction has already been completed. Therefore it is necessary that you apply for a variance with the Board of Appeals prior to September 3rd of 1991 or this matter will be referred to the City's Corporation Counsel for consideration of legal action.

Sincerely,

William D. Giroux
