Dear Mr. Hughes:

The residential area in which you reside is known as R-3 Zone. In accordance with the Zoning Ordinance under R-3 Zone you are not allowed to perform a business such as the selling of items on display and advertising of same that you have been attempting to do in the past. This office has answered to complaints about your so-called garage sales since the 1970's and maintains a substantial documentation of those activities and complaints. Our staff has made every effort to allow you the opportunity to cease and desist, but you have not elected, in spite of your own word to do so.

Please be advised by this letter that any further continuance as of this date will be in violation of the Zoning Ordinance and procedures for compliance will be started, without further warning, if you continue to advertise, display and pursue this business.

Very truly yours,
