Hello, my name is Adam rice, I recently began permit bldc2018-00446 to update windows at [648 forest ave](#) in Portland. I was emailed that specifications were required on the windows, but have been unable to submit this info successfully and our tenants had this broken window close to a week now. Below I've listed the measurements of the windows, could you add it to the existing application? Thanks!

7 vinyl windows @ 37.25" x 72 5/8"  
2 vinyl windows @ 18 3/8" x 72 5/8"  
2 vinyl windows @ 29 1/4" x 72 5/8"  
1 vinyl window @ 35 1/8" 72 5/8"

Called Shawn Smith and confirmed 25 window units total.  
Also confirmed units to have fall protection in R occupancy.
