RE: Life Safety Inspection at 32 Arlington Street
CBL 125 0004001

Dear Mr. Nguyen,

You previously scheduled a life safety inspection for the property at 32 Arlington Street for September 6, 2016 at 10:00 am. You failed to show for the inspection and failed to cancel or reschedule that inspection. As a result, the inspectors were unable to gain access to the property to complete their inspection. This refusal to allow the inspectors access to the property is a violation of § 10-3(n) of the City of Portland Code of Ordinances.

Please contact the Fire Prevention Bureau at 874-8400 no later than **Friday October 7, 2016** to schedule a full inspection of the property. If you fail to do so, the City will consider this a second refusal to allow an inspection and will seek an administrative inspection warrant in court. The City may also pursue its remedies for civil penalties for refusing to allow the inspection of the property.

I appreciate your anticipated cooperation and your efforts to keep the citizens of Portland safe.

Sincerely,

Assistant Chief Keith Gautreau
