Dear Neighbor,

Pursuant to the City of Portland regulations, I am hereby informing you that the detached garage located at 110 Woodford Street, Portland, ME will be demolished. The demolition work planned will take place between July 1st and August 15th of this year. Following the demolition will be the reconstruction of a smaller shed structure. During all operations we will ensure the safety for your property and tenants is our top priority.

We apologize for the inconvenience this may make but hope our final structure will enhance the appeal of the neighborhood. If you have any questions or concerns prior to or during construction please contact us at the below information.

Thanks,

Stephen Bates
