

2 June 2015

Dear Neighbor:

We are planning renovations and an addition to our house at 65 Coyle Street. As part of this work, our existing garage will be demolished (to be replaced with an attached two-car garage). We expect this work to begin later this month. We apologize for the noise and mess and hope it will not bother you for long.

Please call Beth at 773-3442 if you have any questions about this.

Best Regards,

Beth Sellers and Marc Keffer
