Re: Sellers-Keffer Residence
65 Coyle Street
Portland, Maine

Project Number: 15-070

To Whom It May Concern:

Casco Bay Engineering analyzed and designed the new roof and floor framing for the addition on the north side of the residence referenced above. Casco Bay Engineering also analyzed and designed the new garage and mudroom floor and roof framing. All framing was designed to meet the requirements of the latest edition of the International Building Code (IBC).

Please contact us if you have any additional questions or concerns.

Sincerely,

Tony Dumais, P.E.
