Bashir.-

I started my zoning review for this permit yesterday. During my review I noticed that the lease was from Gateway Community Services, LLC with Abdullahi Ali as the CEO. Our records show that the owner of the building is Delta Realty, LLC. I contacted Andrea Girard at Delta Realty and she told me that Abdullahi Ali is their tenant at the building and that he does not have the authority to sublet part of his space to you. Since Abdullahi Ali does not have the right to sublet the space to you and the owner Delta Realty LLC has not given you permission to have a driving school at that space, I must deny your permit. You may not open a driving school at this address.

Please let me know if you have any questions.
