

Accessibility Building Code Certificate

Designer: James P. Gauthier, Canal 5 Studio

Address of Project: 509 Forest Ave

Nature of Project: Fit-up for use as small performance space for Portland Ballet, including removal of existing partial height wall, creation of raised seating platform, and provision of egress doors and hardware.

The technical submissions covering the proposed construction work as described above have been designed in compliance with applicable referenced standards found in the Maine Human Rights Law and Federal Americans with Disability Act. Residential Buildings with 4 units or more must conform to the Federal Fair Housing Accessibility Standards. Please provide proof of compliance if applicable.
