Michael A. Russell, MS, Director

Heating, Ventilating, Air Conditioning (HVAC) or Power Equipment Application

(Including roof top chillers, mini/multi split heat pumps, ERV's and fuel fired heating appliances)

The following items shall be submitted:

- HVAC Application (this form), completed
- A plot plan showing the size and dimension of the lot, location of buildings, location of all exterior HVAC equipment and distance from property lines
- Proof of ownership (if inconsistent with the assessor's records)

Additional information is required, as applicable, pertaining to the type of system or installation:

- Floor and roof plans with dimensions, including location of all equipment and appliances and clearances
- Ductwork including steel gauge, supply/exhaust lines, diffusers, smoke and fire damper locations
- Product and equipment details (e.g., model number, dimensions, weight, heating/cooling specifications-- provide the manufacturer's specification manual or cut sheets)
- Structural framing modifications, equipment mounting and hanging details
- Venting materials, clearances, number of flues and exhaust termination location
