Hello Sonia and Brad,

I just spoke to Michael Goldman about this. He said that because this drainage project is required under an EPA consent agreement, the project does not require City Council approval. Projects required by state or federal law are an exception to the requirement in the city code.

Please take it off the agenda.

Thank you!
Nancy

Subject: Fwd: Council Agenda for December 19th - Woodford Street Sewer Separation

To: "Bean, Sonia" <stb@portlandmaine.gov>

Good Morning Ms. Bean,
Please see the attached council agenda request which has been reviewed by Mr. Branch.
Let me know if you have questions.
Thanks
Brad

Subject: Council Agenda for December 19th - Woodford Street Sewer Separation

To: Christopher Branch <cbranch@portlandmaine.gov>, Nancy Gallinaro <neg@portlandmaine.gov>, "Graffam, Melissa" <mag@portlandmaine.gov>

All,

Please review the attached.

I am assuming a favorable outcome to the Land Back Commission presentation and do not have time to wait until a January council meeting authorization as this needs to be out to bid in early January to be bid, SRF authorized, funded, contracted and able to complete work in Back Cove by our authorized March 31, 2017 deadline. Thus I am submitting this as a placeholder on the December 19th agenda.

Chris please bring to Brandon O'Connell's attention as well as his preparation for funding the project - I am assuming through SRF - will take some preliminary work.

Let me know if there are questions.

Three attachments.

Brad
