RE: Occupancy Permit for 694 Forest Avenue
Portland, Maine

I am authorizing permission for Sally Anderson to apply for an Occupancy permit for the above mentioned property. The construction permits were granted to M.S. Babin Carpentry and the work is to commence on or about April 19th. The property should be ready for occupancy approximately May 10th. The use of the property is a Driver's Education School.

If you have any further questions or concerns, you can call me at 321-4227 (days).

Thank you in advance for your consideration.
