**Service Comments**

**Order Instructions:** UNITS A & D NEED TO BE TREATED FOR BB

**Tech Comment:** Good morning Mr Cummings  
Today I performed your EcoCare bedbug treatment service. I inspected Unit D and found no live activity but did find dead ones in the upper front bedroom. And saw all the dead ones in the back upper room. I applied a residual dust material into the wall sockets and applied a liquid material around all the room perimeters and all the cracks and crevices of the various furniture, including the livingroom furniture. I also treated the mattress and box frame and room perimeters in Unit A. If you have any questions or concerns please give us a call. Thank you for choosing Modern Pest services and have a wonderful day
